# YOUR COVER EXPLAINED

## GAP COVER

### SPECIALIST COVER

If you are admitted to hospital or receive care for approved oncology treatment, your medical scheme may only refund you a portion of what your specialists and surgeons charge for their services. When this happens, we will provide additional cover to pay for these shortfalls

### ONCOLOGY CO-PAYMENT COVER

We cover 3 different categories of shortfalls for oncology. Across all 3 categories, we include cover for modern biologicals and immunotherapies (i.e. precision medicines) approved by your medical scheme:

- The 20% co-payment applied on all oncology costs
- The 25% or 50% co-payments applied on Precision Cancer Medicines
- Co-payments applied to precision medicines approved as an ex-gratia benefit by your medical scheme

### UPFRONT PAYMENTS

If your medical scheme has fixed-value upfront payments on MRI/CT/PET scans, in-hospital endoscopes, in-hospital basic dentistry or defined approved surgical procedures, we will cover these in full. We also provide you with cover for co-payments applied as a percentage of medical costs and where you voluntarily make use of a non-network hospital or day clinic

### LIMIT EXTENDER

# MONTHLY COSTS EXPLAINED

## PRIVATE INDIVIDUALS - 1 JANUARY 2027

The cost of Cinagi gap cover is structured on the entry age of the oldest person joining the policy as well as the family size.

Our integrated Cover Pay Level (CPL) structure also offers a lower monthly cost if you are on a richer medical scheme benefit option. If your benefit option covers medical specialists for in-hospital treatment at 200% or more of scheme tariff, then the CPL-200 costs will apply to your cover. If the in-hospital medical specialist cover is at 100% of scheme tariff, then the CPL-100 costs will apply.

# MEMBER SERVICE PORTAL

To ensure efficient, quick and user-friendly client servicing, Cinagi has developed a bespoke digital member portal for all clients. To access the portal, please [click here](#).

Through this member portal you can undertake the following administrative services:

**SUBMIT A CLAIM** – Claiming is a quick and simple online process. You will require the following information/documents to submit your claim:

- The relevant account from the doctor or provider
- The claims statement from the medical scheme showing how they have processed and paid for the above account – this can be downloaded from your medical scheme's website/portal
- If your claim relates to a hospital admission, we will need the first 2-3 pages of the hospital account showing the admission/discharge dates, ICD-10 codes, patient name, etc

**UPDATE YOUR DETAILS** – you can update any of your personal details here such as contact details, debit order details, your medical scheme cover and the addition/removal of policy dependents.

**GET A COPY OF YOUR POLICY** – you can download a copy of your policy document and/or a confirmation of your cover with us.

## CLAIM OPTIMISER DIRECT PAYMENT

If you are required to pay an upfront payment before being admitted to hospital, we have developed the Claim Optimiser, which guarantees the payment directly to the hospital. This means that you do not need to make any out-of-pocket payments and we will pay the provider directly on your behalf.

Please note that this service is not available if your policy is still subject to a waiting period and you will need to contact us at least 72 hours before your admission to activate the Claim Optimiser.
